

Top 5 Things You Need to Know About Remote Terminations

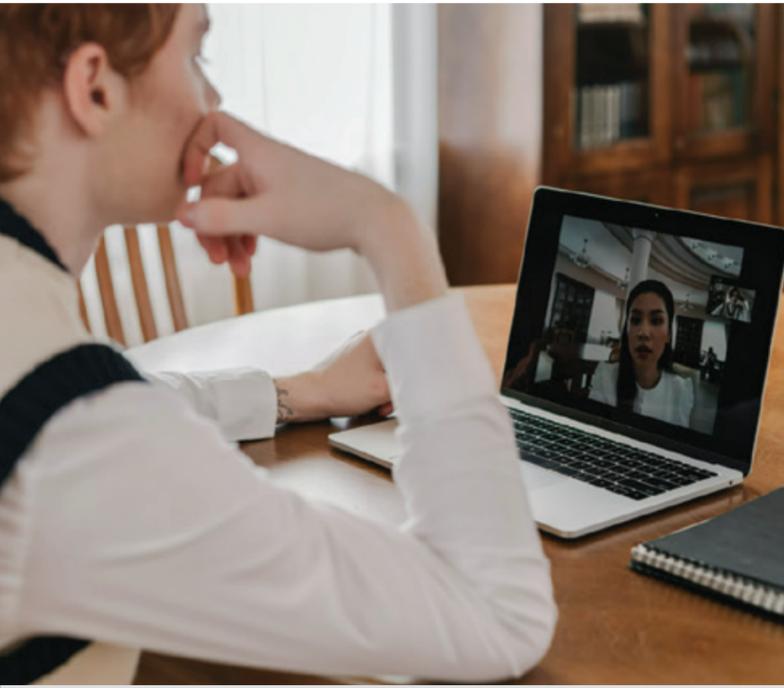

Yes, I Would Like to Attend

Date: Thursday, December 2, 2021 | **Time:** 1:30pm - 2:00pm EST | **Cost:** FREE

Webinar Outline

With the rise and sudden shift of remote work around the world, remote terminations have become more common within these working environments. While no employee enjoys being let go, HR managers can use several strategies and best practices to ensure that terminated employees are treated properly.

Join us and our guest, Ed Zukowski, AFIMAC's Vice President of Human Resources, to discuss the top five things you need to know about remote terminations.

Who Should Attend

- VPs and Directors of Human Resources
- Talent Acquisition
- Recruiting
- Hiring Managers
- Security Directors

Webinar Speakers

Elvin Croswhite
Director of Sales, ISB Global Services

Elvin Croswhite is a highly motivated and accomplished sales leader with over 15 years of sales experience, focusing the last 10 years in the background screening and pre-employment sector. As the Director of Sales at ISB Global Services, he brings an award-winning background with extensive hiring process knowledge. Mr. Croswhite has helped many Fortune 500 companies solve complex employment screening challenges, ensure a quality workforce, and gain a competitive advantage.

Elvin prides himself on being a brand ambassador while emphasizing strong client service. He has exhibited the ability to develop and maintain top-performing sales teams while managing complex and ongoing organizational change. Elvin thrives on working alongside enterprise clients and navigating complex critical business issues. He continues to set high standards for himself and those he works with by leveraging data and driving profitability.

Ed Zukowski
Vice President of Human Resources, AFIMAC Global

Ed Zukowski has over 18 years of experience in human resources, employee development and counseling, conflict resolution, workplace accident investigation and documentation, benefits administration, and corporate-level recruiting.
